Statement of Faith

The Scriptures. We believe that the Bible is God's holy Word, verbally inspired in the original text and the supreme authority in all matters of faith and conduct.

The Trinity. We believe there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.

The Father. We believe in God the Father, who is perfect in holiness, infinite in wisdom, measureless in power. We believe that He concerns Himself mercifully in the affairs of men, that He hears and answers prayer, and that He provides salvation to all who come to Him through Christ.

The Son. We believe in Jesus Christ, the divine, eternal, and only-begotten Son of God. We believe that, in His incarnation, He was conceived by the Holy Spirit, born of the Virgin, sinless in life. We believe in His vicarious, atoning death for the sins of the world. We believe in His bodily resurrection, His ascension to the right hand of the Father, His present intercessory ministry for His own, and His personal, visible return to the earth in power and glory.

The Holy Spirit. We believe in the Holy Spirit, in His personality and deity; that He was sent by the Father and the Son to convince the world of sin, righteousness, and judgment. We believe He regenerates, indwells, sanctifies, instructs, and comforts the saints.

Salvation, Resurrection. We believe that all men are, by nature and by choice, sinners and destitute of all power to save themselves; that they can be saved only by faith in Christ, through God's sovereign grace based on the atoning work of Christ.

We believe in the resurrection of all men — those who are saved unto the resurrection of eternal life, and those who are lost unto the resurrection of eternal damnation.

The Church. We believe in the Church, the living spiritual Body of Jesus Christ of which He is the Head and all regenerated persons are members. We believe that a local church is a company of believers associated for worship, fellowship, edification, and testimony. We believe that God has given to the Church universal the task of witnessing to the world concerning its lost condition and the provision of salvation through His Son.

The Christian Life. We believe that the Christian's privilege is one of consecrated discipleship to Jesus Christ as Lord, based on the standards set forth in God's Word. His life will be characterized by dependence upon God and fellowship with Him, diligent study of the Scriptures, prayerful concern for others, and faithful stewardship of time and possessions.

General Information

LOCATION

Glen Cove Bible School is situated in the town of Glen Cove, Maine, two miles east of Rockland and about 85 miles northeast of Portland. Its beautiful 62-acre campus is favored with a scenic ocean front and overlooks miles of wooded hills.

HISTORICAL SKETCH

The Bible School was founded in 1959 in Glen Cove, in connection with Christian Schools, Inc., through the efforts of a group of Christian laymen led by Mr. Harold Duff. During its years of ministry, the school has experienced God's blessing in steady growth of students and faculty.

RELIGIOUS AFFILIATION

Glen Cove Bible School is unaffiliated denominationally and ecumenically. However, it is not antidenominational, but seeks to be alert to opportunities for fellowship and service with all who stand firmly in love on the Word of God and the Lordship of Jesus Christ.

OUR PHILOSOPHY AND OBJECTIVES

Glen Cove Bible School stands in the tradition of the orthodox, fundamental Christian faith. Acknowledging the Scriptures as a Divine revelation and inspired by God in every part, we make Bible study basic in all courses. The Bible is recognized as foundational in the accumulation of knowledge, strengthening in the faith, and maturing in godly practice.

1. We seek to cultivate and develop in the student a total Christian character and personality, so that he may experience the Spirit-filled life of devotion to Christ and service for Him.
2. We purpose to give to each student a practical working knowledge and spiritual understanding of the Bible, within the framework of the doctrines expressed in the school's Statement of Faith.
3. It is our aim to train believers for Christian leadership, either as full-time workers or as laymen in the local church.
4. In obedience to the Great Commission, we purpose to develop students in effective communication of the Gospel, in the worldwide evangelization of the lost and the edification of believers.

STANDARDS

Glen Cove Bible School endeavors to exalt the Lord Jesus Christ; thus high standards of Christian living are maintained. Practices such as smoking, dancing, card-playing, movies, swearing, worldly habits of dress and deportment, and other unwholesome behavior not conducive to growth of Christian character, are not condoned.

Home friends, family, the home church, and even the world all expect that Bible school students will manifest an above-average standard of life. It is possible that, prior to a student's coming to Bible school, his behavior has been self-chosen and somewhat unrestrained; accordingly, certain details of his life may need to be regulated.

The student's standard of life must be on the highest plane — first, to glorify the Lord Jesus Christ; then, to form lifelong habits of spiritual living; and finally, to protect the name of the school. If a prospective student is not willing to submit his whole life to the Word of God, it is better for him not to consider Bible school.

A student found to be out of harmony with the life, ideals, standards, and doctrines of the school, on campus or off campus, will be requested to leave.

PRACTICAL CHRISTIAN SERVICE

Students are required to engage in some form of practical Christian service as part of their training. This testimony, varied in nature, may include open-air work, tract distribution, hospital visitation, door-to-door evangelism, Sunday School work, Good News Clubs, young people's meetings, Gospel team meetings, musical ministry, preaching.

The school may recommend certain maturer students to nearby churches seeking pastors.

GRATIS WORK

Each student is expected to engage in three hours of gratis work each week, on the grounds or in the buildings. As part of the training program, gratis work serves also as a means of relaxation from study. Moreover, it renders real, practical help to the school, since student fees do not cover the cost of school maintenance. Gratis work is supervised and regularly reported.

A limited amount of work is usually available to needy and worthy students, to care for a portion of their school expenses.

RECREATION

The spacious campus has ample room for sports — hiking, skating, volleyball, softball, football, etc. A gymnasium is available for indoor sports.

MUSIC

Students are given opportunity to sing in the school choir and other musical ensembles. Practice facilities are provided for those taking music lessons.

Academic Information

ENTRANCE REQUIREMENTS

Prospective students should give evidence of a born-again experience and proven Christian character. They must pledge willingness to abide by the rules of the school and to make Christ the guide in all phases of life.

To enroll, students should be high school graduates. Older applicants who have not completed high school may be accepted by special action of the Admissions Committee.

The applicant must be in good physical and mental health. An examination by a reputable doctor is required.

Students must be recommended by their pastor and three other Christians who have known the applicant for at least five years.

Only serious-minded students with a heart to go on with Christ will be accepted.

ADMISSIONS PROCEDURE

The applicant should write the Registrar for an application form. Along with this completed form, he should send, or have sent, transcripts from high school and other schools attended. A brief autobiography, and a recent photograph, should also be included. An application fee of \$10.00 must be enclosed with the application. (This fee will not be refunded or applied to school expenses.) For entrance in the first semester in September, all forms should be received by the Registrar by August 15.

An entrance examination may be required when the prospective student's academic rating is in question. An English placement examination is required of all incoming students. A personal interview will be arranged, if possible, with each student before final acceptance is granted.

Upon receipt of all the necessary papers, the Admissions Committee will review the application. If approved, a letter of acceptance will be sent to the applicant, with information as to arrival time, registration, and orientation.

Married applicants must have been married at least three months prior to enrollment. As a general rule, students are not permitted to marry during their course of study. The faculty must give approval before engagements are made public. Divorced applicants will not be accepted.

ACADEMIC STANDING

The Glen Cove Bible School is collegiate in principle and practice, and is sympathetic toward the standards and objectives of the Accrediting Association of Bible Colleges.

The school has been accepted as an educational institution in accordance with the laws of the Social Security Administration.

The three-year program has been approved by the government for veterans' education benefits.

PAYMENT OF ACCOUNTS

All bills for each semester are due and payable at the time of registration. If necessary, deferred payments may be arranged for at the Business Office. All bills must be paid in full before the student is permitted to take final examinations.

Books and supplies, amounting to approximately \$40.00 per year, are billed as purchased.

Changing costs may require some slight adjustment in semester expenses noted above.

Expenses are kept at a minimum. Since student payments do not cover half the cost of training, the School looks to God for the supply of additional funds through friends who recognize the need for prepared servants of God grounded in the Word of God.

All single students not living at home are required to live in school dormitories. Until dormitory facilities are provided on the campus, students are housed off campus in four large, comfortable homes. Dorm parents are members of the school staff.

The Curriculum

In keeping with our objectives in the training of servants of God, the Bible School offers two diploma courses: (1) the regular three-year foundational course; (2) the four-year course patterned after the area studies of the Bible college, with a Bible-Theology major, a Bible-Missions major, and a Bible-Christian Education major.

A core curriculum has been established, so that in the three-year program all students will take 30 hours in Bible, 12 hours in Theology, 14 hours in Missions, 6 hours in Christian Education, and 36 hours in Bible-related and General Education subjects — making a total of 96 hours required for graduation.

The four-year program has a core of 36 hours in Bible, 12 hours in Theology, 10 hours in Missions, 6 hours in Christian Education, and 41 hours of Bible-related and General Education subjects. This core curriculum is required of all students in every major, supplemented according to each major to make a total of 128 hours.

This curriculum is basic but subject to change. The school reserves the privilege of withdrawing scheduled courses and making such curriculum changes as it may deem expedient.

Grading. A "C" average is required for graduation, in addition to approved Christian character and zeal in service. Students falling below a "C" average will be placed on probation, with the possibility of their being discontinued. Letter grading is used as follows: A, 93-100, 4 quality points; B, 85-92, 3 quality points; C, 77-84, 2 quality points; D, 70-76, 1 quality point; F, no quality points; WF, withdrew failing; WP, withdrew passing.

Diploma Course

A sound Bible school training is vital for the servant of God in every area of responsibility. This three-year course is designed to give the student a practical grounding in the doctrines of the Word of God. In addition to the strong emphasis in Bible and Theology, courses are offered in Christian Education, Missions, General Education, and Bible-related subjects. The course consists of 30 hours in Bible, 12 hours in Theology, 12 hours in Missions, 6 hours in Christian Education, and 36 hours in General Education and Bible-related subjects. Graduates of this course have been used of the Lord in the local church, on the mission field, in youth work, in children's work, and as pastors' wives.

Requirements for Graduation. Graduates will be required to complete 96 hours of study: 30 hours in Bible, 12 hours in Theology, 6 hours in Christian Education, 12 hours in Missions, and 34 hours in General Education and Bible-related subjects. Those not required to take Physical Education will need 2 additional hours in General Education.

Description of Courses

The courses may be identified as follows: the first digit refers to the year, the second to the department of study, the third to the semester; odd numbers refer to the first semester, even numbers to the second semester. The digits representing departments of study may be explained thus: 010 is Bible, 020 Theology and Apologetics, 030 Missions and Evangelism, 040 Christian Education, 050 English, 060 Greek, 070 History, 080 Science, 090 Practical Studies.

BIBLE 010

111. **Pentateuch.** A synthetic study of the first five books of the Bible, with special emphasis upon God's redemptive plan as seen in His call and commissioning of the Hebrew nation. Major themes are dealt with, including creation, the fall of man, the flood, the rise of Israel. Stress is also given to typology, as in the Levitical offerings and the Tabernacle. *Four hours, one semester*

112. **Historical Books.** A continuation of the synthetic study of the Old Testament. The twelve books of sacred history are covered, stressing the history of Israel and its spiritual significance. This course is preparatory to the study of the prophetic books of the Old Testament. *Three hours, one semester*

114. **Synoptic Gospels.** A study of Matthew, Mark, and Luke, with emphasis upon the person and work of the Lord Jesus Christ. The harmony of these Gospels in presenting Him and His teaching is demonstrated. *Three hours, one semester*

115. **The Gospel of John.** A verse-by-verse exposition of this important book emphasizing the Lord Jesus Christ as the Son of God. *Two hours, one semester*

211. **Poetical Books.** This study, continuing from Job through the Song of Solomon, covers the doctrinal range of each book, with attention given to spiritual lessons and principles of Hebrew poetry. *Three hours, one semester*

212. **Early Prophets.** A study of Jonah, Joel, Hosea, Amos, Micah, and Isaiah. The course seeks to bring out the message of each book, first in its significance to Israel, then in its import for us today. *Three hours, one semester*

213. **Romans, Galatians.** A detailed study of these books, so important for Christian doctrine. Emphasis is placed upon the completeness of Christ's redemption and the way of victory for His people. *Two hours, one semester*

215. **Introduction to the Bible.** A study of the principles (1) underlying God's provision, and our reception, of the Scriptures; (2) of the canonicity of the books of the Bible; (3) of the textual criticism of the Bible. *Two hours, one semester*

311. **Later Prophets.** A study of Nahum, Zephaniah, Jeremiah, Habakkuk, Ezekiel, Obadiah, Haggai, Zechariah, and Malachi. The historical background of these books and their spiritual significance for today, with their prophetic message, are dealt with.
Three hours, one semester

312. **Prison Epistles.** A detailed, expository study of Ephesians, Galatians, Philippians, Colossians, and Philemon, bringing out the believer's position, privilege, and practice in Christ.
Two hours, one semester

313. **Daniel, Revelation.** Because these books are foundational to prophetic study, they are dealt with in detail, with emphasis upon their prophetic message.
